THRIVE PROGRAMME

are you **READY?**

Are you ready to take your freelance business, brand, and career to new heights? If you're seeking an extraordinary, high energy, coaching experience tailored exclusively to your needs, then look no further. I'm thrilled to announce I am opening up a very limited number of seats to my new 1-to-1 coaching programme.

The aim of this programme is to support you as you navigate the challenging world of freelancing. I serve creators by being by their side, guiding, positively challenging, sharing from my knowledge and experience, encouraging and being a sounding board for ideas. Together, we'll conquer challenges head-on, aligning your strategy, thinking and systems, and create action for your ultimate success.

Who's it for?

Creators. Be that entrepreneurs, founders, freelancers, brand builders and leaders. If you have drive and ambition and want me in your corner then this is your chance!

This programme is open to a limited number of creative freelancers who want support to go places. This programme is designed around your needs and will help you grow your revenue, win more work, go further, faster, minimise risks, be inspired and share the load. Are you in? Let's do this!

WHAT'S IN IT FOR YOU?

Tailored coaching

Say goodbye to generic advice. My coaching is laser-focused on your goals and your growth, making it the perfect fit for entrepreneurs, founders, freelancers, brand builders and leaders, who are ready to soar as they navigate the tricky world of brand building.

In your corner

I'm a big advocate of failing forward, and so keen to share my insights, strategies, and actionable advice with you so that you can grow.

Accelerate your journey

Get ready to grow your revenue, win more work, and embrace opportunities for rapid advancement. My coaching is designed to inspire you, minimise risks, and share the load so you can achieve your goals faster than ever before.

Gain access to my Mastermind Group - a vibrant community of like-minded individuals, monthly community meet-ups, and a wealth of valuable resources and videos to support your ongoing progress.

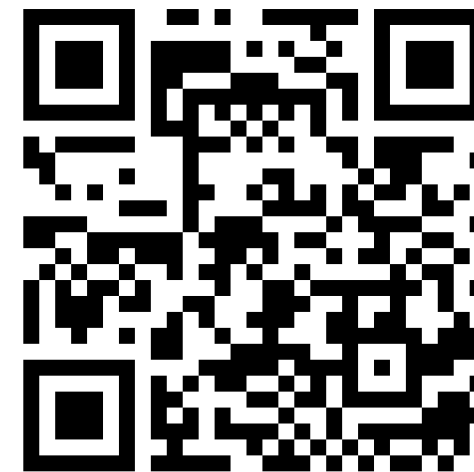

HOW MY COACHING WORKS

- 1** **Focus** - We'll dive deep into your unique context, vision, and aspirations. Uncover the roadblocks holding you back and define crystal-clear goals to chart your path to success.
- 2** **Coaching Sessions** - Our monthly 60-minute coaching sessions via Google Meet are all about you. Share your progress, discuss challenges, and explore ideas to create actionable plans for your growth.
- 3** **Accountability** - Together we'll use a personalised online coaching canvas to define, track, and measure your progress against your goals. This valuable tool ensures your journey is always on the right track.
